How Booking Works

Pandal & Front-Yard Functions

- Inform us **at least 3 days before arrival** if a pandal / lighting setup is planned — permission charged separately
- Setup only in the front yard; no anchoring to pillars, walls or roof slope (oodh)
- **No drilling, nails or tape** on the building — freshly painted; damages charged at actuals
- Drinking water for function guests is the **caterer's responsibility**
- Generator (if needed) is the organiser's arrangement — inverter covers ground-floor lights only

Kitchens & Catering

- Both kitchens available for full-house bookings — stoves, pressure cookers, kadais, earthen pots, puttu kudam, appam kadai, dosa pans
- Crockery per the showcase inventory — breakages charged at replacement cost
- Chimney & microwave on ground floor; water dispensers on both floors

Waste & Handover

- **Food waste** — ring pit · **Paper/leaves** — burn corner · **Plastic** — bagged
- Front yard left neat after the function — extra cleaning deducted from deposit
- House returned as received; deposit refunded after a 10-minute walk-through

Please note: bookings are confirmed only on receipt of the Rs 10,000 advance — first advance received blocks the date. Checkout by 10:00 AM so we can prepare for the next guests.
